Product Specification Sheet

Premium Wireless Laptop Mouse

Part #: AMW46EU

Product Description:

The Targus Premium Wireless Laptop Mouse provides a clear workspace free from cables with an optical sensor that provides improved movement and precision. Furthermore, it features an ultra-mini USB receiver that can remain in the USB port for instant connectivity, or can easily attach to the bottom of the mouse for added portability and convenience. Latest sensor technology conserves power and provides up to 12 months of battery life. The dual-purpose ergonomic design is small enough for travel yet big enough for comfortable desktop operation.

Product Features and Specifications:

- Convenience: wireless laptop mouse with ultra-mini receiver that can remain in the USB port for instant connectivity, or can easily attach to the mouse for travelling
- Extended battery life: latest sensor technology conserves power and provides up to 12 months of battery life
- Wireless freedom: 2.4GHz wireless mouse technology provides improved operating range and minimum interference with other close proximity wireless devices
